Revised 08/10/23

Below are some "Points of Emphasis" for the 2023-2024 school year.

CHECK IN/CHECK OUT PROCEDURE

Parent/Guardian will send email to admin@marlboroacademy.com stating date, time, who will be picking up the child and reason for check in/check out for their child. The email needs to be sent even if someone on the emergency contact list is picking up the student. This email will reach Mr. Critcher, Mr. Hudson, Mrs. Newton, Mrs. Lackey, Mr. Hernandez, Mrs. Hyduke and Ms. Harrington. This will help with safety, faster communication, and accountability in the check in/check out process. Whenever possible this email should be sent before 8:30 am. If a student feels sick and needs to go home, that student should go to the appropriate office to call a parent and not text the parent. No student may leave campus without parent/guardian permission and checking out in the office. The office must be made aware when a student needs to leave school early. Also, the parent/guardian should no longer email Mrs. Lackey's email concerning the check in/check out process.

CHANGE OF SCHOOLS

MA students who enroll in another school and wish to return to MA must reenroll within 12 MA school days. This reenrollment is contingent upon a spot being open in the student's grade. Also, a re-enrolled student is responsible for making up all the work missed during the student's absence from MA.

AFTER SCHOOL STUDENT GUIDELINES

- All students must be off campus by 3:00 pm each day unless under the direct supervision of a staff member.
- Students must leave the parking lot when they sign out of school.
- Students are not allowed to return to campus prior to 2:30 pm for games, practices, etc. unless they sign back in.
- For liability insurance reasons students not picked up by 3:00 will be placed in Homework Center at charge. This includes students waiting for any school sponsored events including athletic practices either for themselves or their siblings.
- Siblings of students who have early dismissal must be picked up in the front pick up line.

PROM

• All students in grades 9-12 will be dismissed at 11:35, after third period, on prom day.

CELL PHONES/SMART WATCHES/EARBUDS

Please see page 22 for the policy within this handbook. At allowed times, for safety reasons, students may only wear ONE earbud on campus. This includes after-school activities.

MEDICATIONS

All medications need to be delivered by the parent to Mrs. Hyduke in the Lower School Office. Mrs. Hyduke will distribute medications to K-5 teachers. Medications for students in grades 6-12 will be stored in a locked cabinet in the office except for emergency use medications. The parent will pick up the medications at the end of the school year.

- Law enforcement may be in charge of when your child can be picked up.

GENERAL INFORMATION

BOARD OF DIRECTORS

Mr. Ed Herring- President Mrs. Sheila Liles-Secretary

Mr. Doc Stillwell- Treasurer Mr. Eric Herndon

Mr. Allen Taylor Mrs. Christy Land

Mr. Billy Covington Mr. Sully Blair

Mr. Ed Ross

SCHOOL MISSION

To provide a safe, nurturing, and rigorous academic environment which inspires and encourages development of students to achieve their highest academic potential and a strong moral character to prepare them for college and career readiness.

SCHOOL VISION

To develop students who are well-rounded, who graduate with knowledge, integrity, and confidence and who realize their full potential enabling them to make a positive difference in the world.

BOARD GOVERNANCE

The Marlboro Academy Board of Directors is the highest governing body of our school. The Board reserves the right to change, amend, override, or discount any part of the rules as outlined. The decisions of the Board are final.

ACCREDITATION

Marlboro Academy is a member of, and accredited by, the South Carolina Independent School Association, Inc. (SCISA).

CODE OF STUDENT CONDUCT

The Marlboro Academy Code of Conduct is not intended as an exhaustive list of misconduct. As a result, Marlboro Academy reserves the right to discipline a student for any conduct the school deems inappropriate even though not specifically mentioned in this Code.

All sanctions and consequences are designed to be fair, redemptive, and instructive, with an emphasis on growth and development. The nature and severity of sanctions are based on the following:

- -Severity of incident
- -Past behavioral patterns
- -Student maturity
- -Emotional state of student when incident occurred

If at all possible, initial intervention for disciplinary problems should be minimal with an emphasis on caution, reasoning and counseling. However, Marlboro Academy will maintain a firm and uncompromising position on inappropriate behaviors.

While Marlboro Academy has no direct supervision over students outside of school operations and activities, we do reserve the right to discipline students for inappropriate behavior.

A student who has knowledge that a violation could occur may be considered an accomplice. A student who finds himself or herself directly involved in an inappropriate incident or potential incident has the responsibility to remove himself or herself to avoid implication.

Parents and students have the right under the School Code of Conduct to appeal any decision following standard procedures. However, they have the responsibility of addressing the concern along each level of the process prior to appealing to a higher authority.

Off Campus Behavior

During times that students are outside of school operations and school-related activities, they are not under the direct supervision of the school but are subject to the consequences of the Marlboro Academy Code of Conduct. However, as part of their agreement to enroll children in school, parents have agreed to support the school in its educational endeavors to accomplish our vision, mission, and goals. **As students represent the school at all times**, their behavior outside school operations and activities may reflect on the overall effectiveness of the school. As a result, the school has the responsibility to hold students accountable under certain circumstances.

Staff and Student Communication

The quality of students at Marlboro Academy allows the faculty and administration to rely on reasoning to encourage appropriate behavior. As a result, our primary consequences are based on positive communication with our students. Most communication is preventative in nature and is designed to make students aware of our expectations to avoid situations where they unknowingly exhibit inappropriate behavior.

For this reason, teachers begin the year teaching students the rules and regulations for their individual classes and the school as a whole. Also, teachers are encouraged to talk to students regarding inappropriate behavior in such a way as to encourage the students while avoiding embarrassment. When teachers feel additional assistance is needed, they are to refer students to administration.

Parent/Teacher/Administrator Communication

Our belief is that the primary source of guiding student behavior should be the parents. Our mission for maintaining appropriate student behavior is to form a partnership between the student and parents allowing the parents to handle as many issues as possible. It is our responsibility to ensure that we maintain an optimal academic environment for all of our students. If necessary

parents will be contacted through certified letters, e-mails, phone calls, and parent conferences. However, when these forms of communication are no longer effective, graduated consequences may be necessary.

Denial of Class

Students may be denied attending class pending a specified action, such as a required parent conference or returning school property. Students denied classes will not be allowed to make up work missed unless specified by Administration.

Suspension

A suspension is a denial of the right of a student to attend school. The purpose of a suspension is to send a clear message to the student that the behavior is unacceptable. Students are not allowed on campus or to participate in any school activities during the period of their suspension. This includes athletic practices. Teachers and coaches will be informed of any suspensions. Teachers will inform administrator when missed assignments are completed due to suspension.

Expulsion

Expulsion is the permanent dismissal of a student from school. It is considered an absolute last resort to be used when all attempts to correct disciplinary issues have been exhausted. At this point it is determined that a complete change of environment is in the best interest of the student. An expulsion may also be justified when a student commits an act so severe that it threatens the safety of our other students or severely inhibits Marlboro Academy from meeting obligations to our other students. Finally, an expulsion may be necessary if a parent continuously refuses to support the school in an effort to correct inappropriate behavior of our students and support our mission to promote a positive learning environment.

CHECK IN/CHECK OUT PROCEDURE

Parent/Guardian will send email to admin@marlboroacademy.com stating date, time, who will be picking up the child and reason for check in/check out for their child. The email needs to be sent even if someone on the emergency contact list is picking up the student. This email will reach Mr. Critcher, Mr. Hudson, Mrs. Newton, Mrs. Lackey, Mr. Hernandez, Mrs. Hyduke and Ms. Harrington. This will help with safety, faster communication, and accountability in the check in/check out process. Whenever possible this email should be sent before 8:30 am.

Parent/Guardian should no longer email Mrs. Lackey's email concerning check in/check out process.

Dual Enrollment/Dual Credit Policy

Dual Enrollment: Courses are taken for college credit only. **Dual Credit:** Courses taken for high school and college credit.

DUAL ENROLLMENT

To be eligible to take dual enrollment courses through RCC/NETC, students will be required to meet and maintain the following performance criteria:

- Students taking college transfer courses must maintain a minimum 2.8 unweighted high school GPA. (RCC only)
- Students must continue to make progress toward a high school diploma while taking dual enrollment courses.
- Eligibility for college courses may be revoked at any time based on performance, attendance, behavior, and/or school/district policy or procedure.

General information concerning college courses and enrollment:

- Students who take college courses while in high school are creating a college transcript that will follow them throughout life. For SC students, this becomes part of the student's LIFE GPA
- All courses in which a student enrolls at RCC/NETC will be assigned final grades. Grades
 will be documented on the RCC/NETC transcript and factored in the calculation of grade
 point average for college. Therefore, all college courses taken will be held to the standards
 that RCC/NETC require.
- Students who struggle academically or face unforeseen challenges in their college courses are expected to show self-initiative in maintaining good academic standing by:
 - Seeking help from the college instructor
 - o Scheduling a tutor through RCC/NETC
- Students taking online classes at RCC must log in to Moodle within the first two days in order to be counted as attending the class. Students are instructed to check their RCC email daily. Students taking online classes at NETC must log in to D2L within the first five days in order to be counted as attending the class. Students are instructed to check their NETC email daily.
- If students have problems logging in to their online course, they should contact the College Placement Counselor immediately.
- In case of failure in a dual enrollment course, students will replace/take that course during the next semester in which the course is offered and will only be allowed to take a maximum of two courses the following semester.
- Students may take as many classes for college credit as they would like.
- Students must request that their RCC/NETC transcripts to be sent with their college applications. This is done through RCC/NETC.

DUAL CREDIT

If a student chooses to take courses for Dual Credit, the student must do the following:

- The four dual enrollment courses with the highest grades for the student will be included on the high school transcript. If there are dual enrollment courses needed to satisfy a high school graduation credit, these courses will be included in the four courses. In other words, students will only be allowed to report four RCC/NETC courses on the Marlboro Academy transcript.
- Choose courses that will not replace Marlboro Academy courses without prior approval from the headmaster. All required courses for graduation must be taken at Marlboro Academy.
- Understand that courses for Dual Credit must be taken during the following three semesters: fall of junior year, spring of junior year, and fall of senior year. Summer courses will not be taken for Dual Credit.
- Once a course appears on a transcript that is mailed with a college application, it will not be removed. Parents and seniors will approve the transcript before it is mailed with college applications during the fall of the senior year.
- College courses that result in college transfer credit will have a calculated weight equal to an AP course on the student's high school transcript.

DUAL ENROLLMENT POLICY FOR 9th AND 10th GRADES:

Below are the requirements for 9th and 10th Graders to take RCC/NETC courses before their junior year. If a student wishes to take Dual Enrollment courses as a 9th or 10th Grader, the parent must email snewton@marlboroacademy.com so that the requirements may be checked. There are pros and cons to beginning a college career this early, so therefore, this must be a well thought out and personal educational decision for each student. In order to enroll in college classes during the 9th or 10th Grade year, a student must do the following:

- Earn a SC UGP GPA of 4.0 after 1st Semester of 9th Grade of after 1st Semester of 10th Grade

- Complete the appropriate paperwork with the College Placement Counselor
- Students will take ACA 122 or the college readiness class equivalent as the first dual enrollment class
- Any questions regarding dual enrollment classes for 9th and 10th Graders should be directed to the headmaster.

PROCESS FOR REQUESTING TO DROP AN RCC/NETC COURSE:

- There is a drop period that will allow a student to be removed from a course, meaning it will be removed from the college and high school transcript.
 - o The window for dropping a RCC course will be 5 days after the start of the semester.
 - After the drop window, students will receive a grade of a "W" on his/her college transcript,
 if approved by committee. "W" grades do not negatively affect a student's college GPA
 but can negatively affect future financial aid.
- Students that request the need to withdraw from a college course:
 - o MUST have an extenuating circumstance
 - o MUST obtain administrative approval from the high school administration.
 - o MUST submit a Dual Enrollment Drop Form to the College Placement Counselor

RCC/NETC Proctored Exams:

Students may be required to take proctored exams at RCC/NETC. Students are given ample
time to schedule these exams outside of their MA schedule. Therefore, missing class at MA
in order to take a proctored exam for RCC/NETC will not be considered an excused absence
from MA

Students and parents will sign a **Dual Enrollment Agreement** prior to registering for college classes. Any requests for exceptions to this policy should be made in writing to the headmaster. Any exceptions will be made at the headmaster's discretion after consultation with the board of directors.

JUNIOR MARSHALS

- The six eight juniors who have maintained the highest-grade point averages will be designated as junior marshals. This could be changed at the discretion of the Headmaster.
