

2026-2027 Lunch Options and Price Lists

Welcome back to a new school year! We have updated our lunch offerings along with pricing and invite you to review the information below. Lower elementary students will place lunch orders and pay with their homeroom teacher. Chick-fil-A and pizza payments may be sent by cash or check made to the school. Burger Bros. is a CASH ONLY purchase for lower school. Please send exact change when possible.

Middle and upper school students will place their lunch order and pay for Burger Bros in homeroom. **There will be no window sales during lunch as this slows down the staff working on the truck to cook and pack orders.** All middle and high school lunches will be picked up in the canteen. On the rare occurrence that you are unable to place your lunch order during homeroom, please go to the Burger Bros window and order **at break.** Burger Bros. does allow Cash App to their account. Cash App payment must be verified by staff and documented on the order. Canteen purchases may be cash or credit. **Students MAY NOT Cash App or Venmo staff for purchases. Credit/Debit card purchases will have a convenience fee added to the purchase price.**
