Driver Instructions / Vehicle Requirements

Please read and complete the form on reverse.

The South Carolina Independent School Association is requiring its schools to have all persons who transport students have a Driver's Registration Form on file prior to transporting a student on a school related trip.

*The teacher / trip organizer is required to submit a driver list and completed paperwork for each driver to the school office at least one week prior to the trip. Please return your completed "School Driver Registration Form" to the teacher / trip organizer in a timely manner.

When using your vehicle to transport students on field trips or other school activity trips:

1. Parent permission forms must state the name of the driver when privately owned vehicles are used for field trips.
2. A volunteer driver will be at least 21 years of age unless specific approval has been given for a younger driver by the administration.
3. Be sure that you have registered with Marlboro Academy for such purposes and have a valid driver's license and current liability insurance at or above the minimum amount required by law for each occurrence.
4. Check the safety of your vehicle: tires, brakes, lights, horn, suspension, etc. It is expected that all vehicles be maintained in a safe condition in compliance with all applicable motor vehicle requirements.
5. Carry only the number of passengers for which your vehicle was designed. If you have a pickup truck, carry only as many as can safely sit in the passenger compartment. Students are not to be transported in an open vehicle.
6. Require each passenger to use an appropriate child restraint system (child car seat or booster seat) or safety belt in accordance with law. No child under the age of 12 shall ride in a seat containing an air bag.
7. Do not smoke a pipe, cigar, or cigarette while there are minors in the vehicle, as required by law.
8. Obey all traffic laws.

In case of emergency, keep all students together and call 911.
